Ref: Vanderbilt SIR1992 Sirens

Dear Dir/Madam,

This letter is issued in order to confirm that the products shown in the table below have been supplied to Vanderbilt Internations GmbH (Vanderbilt) by Eaton Electrical Products Limited (Eaton). Eaton confirms that the products mentioned in the Vanderbilt description are electrically and mechanically identical in every way to the Eaton products. Minor differences relate to naming's of the products.

Vanderbilt Description	Vanderbilt Cat No.	Eaton Description	Eaton Cat No.	Eaton Reference
SIR1992-V-LP Indoor Siren	N54539-Z146-A100	RoLP, Shallow Base, White Body	540502FULL-0406X	ROLP/SV/W/S
SIR1992-R-LP Indoor Siren - Red	N54539-Z145-A100	RoLP, Shallow Base, Red Body	540501FULL-0389X	ROLP/SV/R/S

The Eaton products are CPR certified by BRE Global (Ireland) Limited, certificate number 2831-CPR-F2406 and are in addition approved by VdS Schadenverhütung GmbH, certificate number G206019, with both certificates being issued to Eaton Electrical Products Limited.

We hereby confirm that all of the products mentioned in the table above, have been inspected and tested and have been found to comply with the customer requirements.

Phillip Williams
